Our company is a qualified supplier in Achilles JQS – A Joint Qualification System for suppliers to the oil industry in Norway and Denmark.

About Achilles JQS

Achilles Joint Qualification System (JQS) is a unique collaboration between Norwegian and Danish oil and gas operators and management contractors. The participating organisations use the system to provide information and to select suppliers and contractors when buying goods and services. www.achilles.com/en/jqs

About Achilles

Achilles identifies, evaluates, and monitors supplier information on behalf of major organizations worldwide. We build and support supply chain communities in many industry sectors, creating unique and valuable global networks. Our services reduce risk in the supply chain and create new opportunities for business for both buyers and suppliers. www.achilles.com
